Dear Mannette Minier and Mining Board Members,

Thank-you for your recent communication to De Went Gravel Company on December 28, 2015 regarding the expiration of "Mineral Mining License ML1101". Please be assured that we are requesting a renewal of Mineral Mining License ML1101, and have enclosed a check in the amount of \$600.00 for processing for license renewal beginning on June 30, 2016.

De Went Gravel Co. will periodically (On site Plan) contract with a mobile crushing unit during the duration of the Mineral Mining License ML1101, As so stated on site plan: this has occurred for a period of 3 days during a 4 year period in frequency.

Please feel free to contact myself at your convenience with any questions, board meeting date, at (616) 457-2100. Thank-you once again for your assistance.

Sincerely

Marvin D. Van Someren, President
